

Dear Festival Partner,

We invite you to participate as a Festival Sponsor this year. Sponsors enable us to educate audiences and empower talented filmmakers to share their work. Without the support of individuals and businesses like yours, we wouldn't be able to offer as many thought-provoking films, important discussions, and exciting events as we do. Additionally, and new this year, we can now offer programming in our new home!

We are busy "writing the story" of this year's festival and we are excited to announce the "It's What's Inside" initiative, offering unique opportunities to support the festival. CDFF's new home, in the heart of Chagrin Falls, will open its doors in 2024! We have additional sponsorship offerings and collaborations available within its walls. We cannot wait to share the magic of the festival, and its' new home, with you!

Join us as we celebrate the art of documentary film. Documentaries show sides of life that many people would not be able to experience otherwise. In 2023, the Chagrin Documentary Film Festival's five-day celebration allowed almost one hundred filmmakers to display their passion and point of view to our audiences. Just last year, we:

- reached more than 27,000 people across Northeast Ohio and the globe.
- contributed over \$1.2 million in annual economic impact locally and regionally.

Attached is the Sponsorship package for 2024. As you review it and the available opportunities, please know that our team is more than happy to answer any questions you may have or talk with you further about potential custom sponsorship programs.

We look forward to hearing from you and sharing YOUR story with our enthusiastic audience throughout 2024!

Thank you for your consideration!

Sincerely,

*Mary Ann Quinn Ponce*

# CDFFF'S NEW HOME ON THE TRIANGLE

The Chagrin Documentary Film Festival launched a Capital Campaign with a goal to secure a permanent home for the Festival in downtown Chagrin Falls. You helped us bring this dream to life with our new world headquarters, **CDFFF ON THE TRIANGLE**. Construction began on the new space in July of 2023 and we look forward to opening in spring 2024.

Find out how you can get involved:

## WATCH

CDFFF on the Triangle will showcase a diverse range of documentary films that explore various topics, perspectives, and cultures. By presenting these films in-person, the festival creates opportunities for individuals to learn about different issues, cultures, and experiences.

## SHOP

You can stop in CDFFF on the Triangle and pick up the latest CDFFF gear. Grab a gift or learn more about upcoming programming. Bringing people into the space will create a network of support and collaboration, allowing the festival to reach a wider audience and involve various community stakeholders.

## TALK

The festival actively engages with the community by offering events, workshops, and panel discussions. These activities provide platforms for people to interact with filmmakers, industry professionals, and experts in various fields. Exposure to new ideas and perspectives encourages dialogue and understanding among community members.

**Through film screenings, educational outreach, partnerships, and special events, the festival creates a sense of unity, and a vibrant community that celebrates the power of storytelling.**

**TAKE YOUR SPONSORSHIP TO THE NEXT LEVEL!**

**GROW WITH US** - Increase your sponsorship to the Silver \$5,000 level and you will get the opportunity to host your own event in this new space. CDFFF will curate a film experience for you and 20 of your guests in our new world headquarters.

**ADD TO YOUR SPONSORSHIP** - In this new space, CDFFF will provide year-round programming, bringing the community together to breakdown barriers and open dialogs through films and discussions. Become a sponsor of one of our monthly series for \$2,000. We have a limited number of spaces so be sure to register today.
