EVERYONE HAS A STORY.

HELP US BRING THE WORLD TO NORTHEAST OHIO!

Dear Festival Partner,

The Chagrin Documentary Film Festival was founded with a mission to educate audiences and empower talented filmmakers to tell their stories. This remarkable event provides a life-enriching experience for an audience of more than 36,000 from across Northeast Ohio and the globe.

Built on a dream, the Festival has experienced tremendous growth in both attendance and impact. It is the combined effort of hundreds; the filmmakers, our devoted volunteers, a dedicated staff, and the foundation of it all - our generous supporters. This festival is truly made possible by the essential support we receive from organizations such as yours.

The 13th Annual Chagrin Documentary Film Festival will be extremely creative with safe in-person events and CDFF On Demand online streaming. We are eagerly planning our best festival yet in 2022, building on new features that helped us reach a wider audience than ever before.

Please join us to ensure that this world class documentary film festival continues to enrich our region. With your help, we will continue to offer an unforgettable film-going experience with stories from around the globe; films that enrich, inspire, and spark conversation.

Thought-provoking films, important discussions and exciting events! Learn the benefits of partnering with this inspiring and award-winning documentary film festival. Select a sponsorship package and share YOUR organization's story with CDFF's engaged and enthusiastic audience throughout 2022.

Sincerely,

Mary Ann Quinn Ponce
